

Miki Jacobs is a prominent medium, public speaker, and author, renowned for her profound connection to the Spirit World. She was brought up in a conservative Jewish household and went on to serve in the Israeli army. However, her life took a significant turn when she relocated to the United States and launched a thriving business. As she settled into her new life, her fascination with spirituality deepened, guiding her on a journey that diverged from her religious roots and the corporate world. This transformative process ultimately led her to close her business and embark on her dedicated spiritual path.

During the initial two years of her spiritual journey, Miki achieved the status of a Reiki Master, offering energy healing to both people and animals. With her deepening meditation practice, she unlocked her innate capacity for connecting with spirits. This newfound ability inspired her to assist others in awakening their own dormant spiritual talents, regardless of their age or stage in life, thus sharing the transformative experiences from her own journey.

Through her work with spirit, Miki has unveiled the notion of our spiritual "Team," comprised of Angels, Spirit Guides, and Departed Loved Ones, who accompany us on our earthly journeys, offering protection and guidance. Miki explores this concept in her first book, *Soul Secrets: A Spiritual Guidebook to Your Team - Angels, Spirit Guides, and Departed Loved Ones*.

Another significant aspect of Miki's life revolves around her enduring and profound love for animals. Over

the past two decades, Miki and her husband Clayton have dedicated themselves to rescuing animals that have suffered abuse, neglect, or abandonment, providing these creatures with a second chance for a joyful and peaceful life on their ranch in southern California. Miki's deep bond with animals intertwines with her spiritual work, as she extends her connection beyond departed loved ones to communicate with people's departed pets, offering solace and closure during times of grief.

Within the pages of her latest book, *Sacred Wild: The Spiritual World of Animals, Including Pets, and Its Interconnections with Ours*, Miki embarks on a captivating exploration of the spiritual realm inhabited by animals. She delves deep into their soulful journey, shedding light on the profound connection that binds humans and animals together.

Drawing upon insights channeled from the spirit world, extensive research, her wealth of experience caring for animals, and her unwavering affection for them, this book unravels the intricate interplay between the spiritual worlds of animals and humans. Through this compelling exploration, Miki offers valuable insights into the intersection of spirituality and the animal kingdom, unveiling the fundamental essence and shared significance between them.

Miki's extraordinary ability to communicate clearly with the spirit world serves as a conduit for messages of guidance, love, and hope from spirit guides, angels, and departed loved ones. These messages provide compelling evidence of the soul's continuity beyond physical existence.

Additionally, Miki channels a spiritual perspective on crucial matters of the soul and uncovers the underlying causes of various challenges confronting humanity, both on a collective and individual level.

Over the course of her career as a medium and speaker, Miki has conducted thousands of remarkable readings for clients worldwide. Her insightful guidance has touched the lives of individuals through private sessions, group readings, workshops, and lectures held in the United States and Israel.

Committed to sharing the wisdom of the spirit world, Miki employs diverse channels, including her books *Soul Secrets* and *Sacred Wild*, social media platforms, and her video channel, to reach as many people as possible.

Miki extends an open invitation to embark on a transformative journey, encouraging individuals to discover their spiritual potential and connect with the profound wisdom and love of the Spirit World.
